SUPPLEMENTAL AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

S I R :

Further to the response filed December 16, 1996, please further
amend this application as follows.

IN THE CLAIMS:

Please add new claim 67:

- 1 67. (Newly Added) A bifurcated stent assembly having an
2 assembly bifurcation for use with an angiological bifurcation of a blood
3 vessel into two branched vessels, said bifurcated stent assembly comprising:
- 4 a first bifurcated stent comprising a proximal stent portion and
5 two intermediate stent portions extending distally relative to said assembly
6 bifurcation; and
- 7 a second stent joined to one of said intermediate stent portions
8 of said first bifurcated stent and adapted to allow blood to flow from the
